Hello families,

Attached is the calendar of important dates for ICDC in 2025. The dates that are chosen for our Professional Learning days are based on the days that Colonel Walker and Ramsey schools are closed as that may be helpful to some families.

ICDC Showcase night is an evening for parents to come and see what happens at the Centre, have a look at all the rooms and meet with the educators and other parents.

Family and Educator Collaborators are split up into a few nights. We will have the sign-up sheets out the week before the first evening.

****Our next casino will be in April, May or June 2026.
Exact date will be sent as soon as it is confirmed****
